

Agreement of Cooperation between Prof. Jörg Keller, FernUniversität in Hagen and Dr. Simon Holmbacka, Åbo Akademi University

If the project is funded by the Academy of Finland it is agreed about the following:

1. Prof. Keller and Dr. Holmbacka will continue the already successful cooperation initiated in 2014 on energy efficient computing during the length of the EAS project.
2. Prof. Keller will host a researcher during a period of 6 months in 2019, with the explicit goal to work on issues related to WP3 – Energy aware controller. The costs pertaining to the researcher's visit including salaries, housing, and travel costs will be covered by the EAS project.
