**Agreement of Cooperation between Prof. Jean-Francois Nezan, INSA de Rennes and Dr.
Simon Holmbacka, Åbo Akademi University**

Rennes, 5th September 2016

If the project is funded by the Academy of Finland it is agreed about the following:

1. Prof. Nezan and Dr. Holmbacka will continue the already successful cooperation initiated in 2013 on energy efficient data-flow computing during the length of the EAS project.
2. Prof. Nezan will host a researcher during a period of 3 months in 2017, with the explicit goal to work on issues related to WP1 – Exposing the meta-data. The costs pertaining to the researcher's visit including salaries, housing, and travel costs will be covered by the EAS project.
